

RAINFOREST-SAFE KIDS' BOOKS

A POCKET GUIDE

RAINFOREST
ACTION NETWORK

Did you know that some of the books you buy could be contributing to Indonesian rainforest destruction?

Use our guide to choose books from publishers who are committed to rainforest protection.

RECOMMENDED

Recommended publishers are committed to the protection of Indonesia's forests and forests worldwide. They have committed to phasing out controversial Indonesian fiber and suppliers APP and APRIL until reforms are achieved and have a comprehensive environmental paper policy or a commitment to create one.

CAN DO BETTER

These publishers have made commitments to improve their paper practices and to phase out controversial Indonesian fiber until reforms are achieved but have not committed to avoiding controversial suppliers.

AVOID

These publishers have made no commitment to protecting Indonesia's or other endangered rainforests. They do not have public, environmental paper policies.
